Sète bridge lift guide for yachting/leisure boating

Timetable valid until 12th December 2015

- You must book a bridge lift in all cases, at least 1 hour before at the mobile bridge service only, by phone to the following number (you can leave a message):

04 67 46 34 36

- Without booking there will be no bridge opening.
- When ordering, give all details of your departure and destination points.
- It is very important to arrive 5 minutes before opening time in channel, close to the bridge, you must go through the bridge in a group, as quickly as possible, the bridge will close as soon as the last boat is through.
- We will report by VHF on channel 09 all information changes, delays or cancellations.
